

euroAtlantic's Portuguese plane lands in Oporto with tons of material used to combat COVID-19

On Africa Day two euroAtlantic aircraft land in Luanda with humanitarian and surgical cargo

A **euroAtlantic airways (EAA)** aircraft with Portuguese flag, **Boeing B777-200ER (Triple Seven)**, coming from **China Popular Republic**, will land today (26) at **Francisco Sá Carneiro Airport (OPO)** in Oporto (Porto) at the end of the night. **Triple Seven** took off from **Hangzhou Xiaoxan Airport (HGH)**, the port city of Hangzhou and transports to Portugal, from the provincial capital of Zhejiang, not far from Shanghai to **SPEDYCARGO**, a freight forwarder based in Maia, **two hundred and fifteen (215) cubic meters of cargo (23,005 tons)** of sanitary material used to combat the **COVID-19 pandemic**.

The same plane from **euroAtlantic airways (CS-TFM)**, which on cruise ship repatriation flights, under the **new Coronavirus**, has already carried out two rounds around the world, last weekend, in service for **Amethyst Jet Solutions 1927** operated between **Beijing International Capital Airport (PEK)**, one of the busiest in the world, to **Budapest Ferenc Liszt Airport (BUD)** in the capital of Hungary. The Portuguese flag on the fuselage of euroAtlantic aircraft, are projecting in Europe and in the World the support and capabilities of a national brand and the Portuguese aeronautical industry, in support of combating the **COVID-19 pandemic**.

euroAtlantic airways records having marked **Africa Day (25 May)** in Angola, with the landing at Luanda's **4 de Fevereiro Airport (LAD)**, of two (2) **Boeing B767-300ER** (enrollments **CS-TKT** and **CS-TKR**) at the service of **BestFly**, an Angolan counterpart, market leader in assisting airlines and the oil and gas industry. One of the flights from the **People's Republic of China** originated at **Changsha Huanghua Airport (CSX)** in Huanghua district. The flight from Brazil, coming from **São Paulo Guarulhos Airport (GRU)**, already represents the third export of the Brazilian industry to Angola of surgical material, transported by the Portuguese company, which intends to extend its offer of services to the skies of Brazil.

About **euroAtlantic airways (1993)**, all its equipment is of American origin and is registered with the **National Civil Aviation Authority (ANAC)**, operates with **Boeing**

B777-200ER, Boeing B767-300ER, Boeing B737-800NG in 84.5% countries in the world. The **euroAtlantic** brand specializes in **ACMI, Charter, Cargo** and regular air transport, has the mission of **Anytime, Anywhere**.

Attached: photos of the packed cargo that traveled in the Portuguese Triple Seven, from China to Hungary. Images similar to those that can be captured on the flight from Hangzhou, to Invicta (Oporto | Porto).
